Dear Eben

RE: REFERENCE FMS SERVICES KITCHEN FINANCIAL SYSTEM AND SERVICES

This is an Old Age Home where we provide residence to older persons.

FMS Services was appointed in September 2015 to assist with the Kitchen Financial Management at Montgomery Haven.

We had very big challenges regarding our food purchasing and over expenditure at that stage.

Eben managed to bring this back in line with our budgets within the first month of implementation of the FMS Services Kitchen Financial Management System.

He also provided On the Job training for our Kitchen Management and staff regarding Excel and Basic Computer literacy skills.

His personal supervision of this process ensured that we managed to reduce our monthly food purchases by 33%.

The menus were also evaluated and tailored to suit the resident's specific needs.

We are making use of his support services on a daily/monthly basis where he evaluates and monitors the kitchen financial performance and provide written reports on a monthly basis for our Board of Directors. This is a huge help and assistance to maintain the positive momentum gained at implementation.

We definitely recommend his services.

We wish him everything of the best with his new venture in the Cape area and we hope to maintain a long and prosperous relationship.

Regards

Debra Peverelle
